1. Minutes of the 82nd meeting were read and approved.

25X1A9a

2. [REDACTED] indicated that O.S.S. was desirous of receiving recognition for the contributions made by that agency to J.I.S.P.B., but the consensus of opinion was that inasmuch as O.S.S. was recognized as an Army and Navy organization, operating under the Joint Chiefs of Staff, that it was unnecessary to make any recognition other than is given on the cover of all JANIS publications, which indicates that such publications are joint Army and Navy efforts.

3. Comdr. Bailey submitted a proof of the cover for Chapter X for JANIS 155, which was designed to meet the requirements of the Registered Publications Section of the Navy.

4. The Secretary was instructed to write a letter to the contributors requesting them, if possible, to anticipate any reprints of any part of a given JANIS at the time the original order is initiated. Failure to do this would result in extra cost of reprints ordered too late to be included with the original order.

5. The Secretary was also instructed to prepare a memorandum to Lt. Taymans in answer to paragraph 4 of his letter, dated 23 May, regarding the schedule for submission of first copy on issues of JANIS subsequent to 1 July.

6. Edward Stern and Company's letter of 26 May 1944, relative to the proposed editorial policy was read and approved. This letter was referred to the entire editorial staff for compliance.
